

Two concerts cancelled at OM

Montreal, January 22, 2025 – Due to the significant challenges the entire cultural milieu is currently facing, and which are also affecting us, Orchestre Métropolitain has made the difficult decision to cancel two of its concerts – Fatal Attraction on March 14 and Latin Fiesta on May 16.

Faced with rising production costs, inflation influencing the public's cultural habits, and stagnating government subsidies, the OM had a responsibility to make this decision in order to regain a balanced budget and ensure the Orchestra's long-term stability.

All ticket holders will receive a refund within ten working days of the announcement of the cancellation. Should you have any questions, please contact the OM box office at billetterie@orchestremetropolitain.com or by telephone at 514 598-0870, ext. 1.

The OM is grateful to its audience for their support and understanding.
